

Mountain Lakes Swimming and Diving Association

It has been my pleasure to lead the MLSA Board for the last three seasons. Our teams' long-held values of tradition, pride, and excellence have been paramount each summer among our swimmers, divers, coaches, and parent group. These values will continue to be our strength.

Reflecting on the successes and milestones of the last three seasons, I am particularly pleased about the many new families who are participating in the MLSA programs, enjoying one another and our wonderful Birchwood Lake.

It is time now for me to focus more on my family, and for a new board president to guide the next phase of our programs with a new Head Swim Coach. Leadership of the MLSA programs now will be in the capable and willing hands of Kim Rozanitis, your new Board President.
