

Don't Miss.... Junior Summer sailing!

# 2012 SANJL Youth Regattas & Clinic

**Mountain Lakes** July 21st

**Spruce Run Reservoir** July 28th

**Highland Lakes** August 18th

Started in 1978, the SANJL Youth Regattas help young sailors become being experienced self-confident racers. They offer new racers the challenge of competing on different lakes against other new sailors and they offer experienced racers the opportunity to sail with the best young sailors in the area.

This year the tradition continues with three junior regattas. The first one is a combination **SANJL Youth Racing Clinic and Regatta** hosted by the **Mountain Lakes Sailing Association on July 21st**. The second is an **SANJL Youth Open Regatta** hosted by the **Hunterdon Sailing Club on July 28th**. And, finally the **SANJL Youth Championship** will be hosted by the **Highland Lakes Country Club on August 18th**. The winners at the Highland Lakes event will be awarded the perpetual SANJL Youth Championship Trophies (Junior and Midget divisions). These events are a great chance for young sailors to improve their racing skills and make new friends.

## **SANJL Youth Racing Clinic and Regatta**

- Instruction will take place in the morning followed by racing in the afternoon.
- The clinic will feature small groups lead by an experienced group of coaches.

## **SANJL Youth Open Regatta & SANJL Youth Championship**

- Each event will have a SANJL regatta coach who will provide rigging and sailing advice to any interested racers and will also give a quick debrief and feedback on the day's racing before the awards ceremony.
- Multiple races will be sailed each day. If four races are completed, one throw-out will be used to calculate the standings for the day.
- To compete as a Midget, an individual must not have reached his or her 14th birthday by the end of 2012. For Midget Doubles, both skipper and crew must be Midgets. To compete as a Junior sailor, an individual must not have reached his or her 19th birthday by the end of 2012.
- All sailors must wear USCG approved personal flotation devices at all times when on the water.

There are a few excellent loaner boats available. These boats must be reserved in advance.

If you have any questions, feel free to give me a call.
